Soroptimist International of Toms River Area is a volunteer organization that works to improve the lives of Ocean County women and girls through programs leading to social and economic empowerment. Since 1988, our organization has been recognizing prominent, successful women; businesses; and organizations of Ocean County for their many accomplishments.

Proceeds from this event will be used to support a variety of programs in Ocean County – the "Live Your Dream" award for women who provide primary financial support for their families; "Dream It, Be It," a career support program for secondary school-aged girls; and a monetary awards program for Ocean County College, Georgian Court University, Ocean County Vocational Technical School, and local high school students.

*We hope you will choose to support the women and  
girls of Ocean County by participating in this event.*
